Lodi Elementary School and OSC

Parent Teacher Conferences

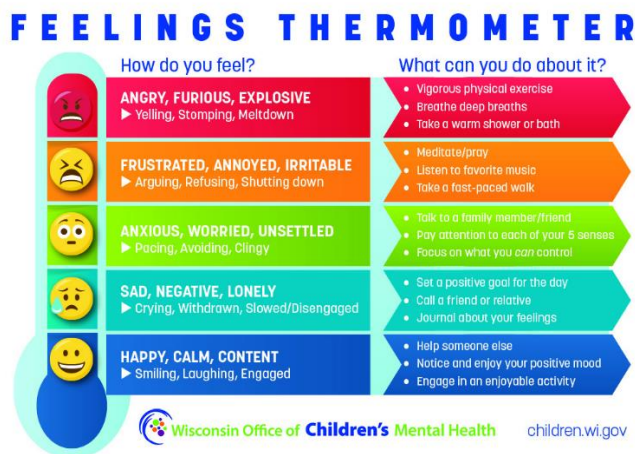

We can't wait to have you come and visit us for Parent Teacher Conferences! LES and OSC teachers are currently conducting Parent/Teacher Conferences virtually. If you don't have a conference time, you can still sign up with your child's teacher.

Code.org/athome

We know working from home for some kids/families is very challenging, and you are not looking for other things to do while others are always looking for additional opportunities to have their kids engaged. For those looking for additional opportunities, you may want to check out code.org/athome. Here you can find cool coding opportunities like making music with popular artists, and learning how computers work from Bill Gates.

Managing Strong Emotions

As we work together to support each other during these challenging times kids can feel strong emotions. Here is a tool to help kids understand strong emotions and provide families information on how to support kids. You can find more information on the graphic below at [here](#).
