

February Newsletter

Lodi Elementary School and OSC

Hello everyone!

I hope you all had a great January and are ready to attack February. In this edition of the newsletter, we are going to be providing you with updates on how the transition to blended learning is going as well as some reminders for our all-virtual kids.

Blended Reminders

- Thank you to everyone who is taking the time to fill out the health screeners each day before your child arrives at school! We know that it takes a little time, but we feel that they are an important part of our mitigation strategy. We use the same links each day so feel free to bookmark them! The screeners can also be found on [our school's website](#) and here: [Morning](#) & [Afternoon](#)
- The kids are doing a great job wearing their masks in the building. Remember that they should be washed daily. If you need a spare or two to allow for washing and wearing, check in with the office.
- Please note that our drop-off times are 7:45-8:00am for the morning crew and 12:15-12:30pm for the afternoon bunch. Please do not drop your child off any earlier than this time; there is not adult supervision outside, and students are not permitted to enter the building until 7:45/12:15.
- If your child arrives late to school or if you are picking them early, please use the main office doors. The other doors are locked and are not supervised outside of the drop-off window.
- Thank you for sharing your kids with us! Our staff is thrilled to see them in the building!

Virtual Reminders

- Our next supply pick-up for all-virtual learners is Wednesday, February 24, from 2-6pm.
- Kids are doing a great job of keeping their cameras on during Google meets and turning in evidence of their learning. Keep up the good work!
- Thank you for all that you are doing at home to make virtual learning possible and for sharing your kids with us!

If you have any questions about the transition, feedback, or would like to connect feel free to email me at pisanmi@lodischoolswi.org or call at (608)592-3842 ext 2102.
